

CITY OF TORRANCE INTEROFFICE COMMUNICATION

Date: May 11, 2020

TO: ALL USERS
FROM: LeRoy J. Jackson, City Manager
SUBJECT: Updated Guidance on Staying Home When Ill

The Los Angeles County Public Health Office has new evidence that it may take longer for the COVID-19 virus to shed. Accordingly, LA County Public Health now recommends that when you are ill, that you **stay home for 10 (ten) days since symptoms started, and at least 72 hours after you no longer have a fever or symptoms without the use of fever-reducing medicines, whichever is longer.**

As a continuing reminder, please stay at home or go home as soon as possible if you begin to feel unwell, even if you have mild symptoms.

LeRoy J. Jackson
City Manager
