Dear Licensee,

Due to the recent events related to COVID-19, the City of Torrance will be temporarily waiving your monthly fee, for the use of City parking spaces, under the terms of the License Agreement, beginning in the month of March 2020. As the temporary dining restrictions remain, the City will continue to assess the situation.

We wish that you, your family and employees are safe and healthy. Please feel free to contact us, if you have any concerns and/or questions. You can contact Carolyn Chun at 310-618-5869, or Community Development Planning Staff at 310-618-5990. To facilitate a quicker exchange of information and due to the dynamic nature of this event, it would be helpful to have your email address. If you would contact me at cchun@Torranceca.gov, with your contact information, it would be appreciated.

Sincerely,

Danny Santana
Community Development Director
